CREW LEADER - TENT INSTALLATION

The Position

The Tent Installation Crew Leader will lead and direct projects to completion and manage daily activities on the job site, including operating various machinery, communicating production goals with crew members, and managing teams effectively and collaboratively onsite.

The Company

Sandone Productions is a Dallas-based family business that has become a national leader in high-end tented events. We bring structure to the party, building tents, flooring, and related services to produce temporary spaces where our clients experience lifelong memories.

Responsibilities

The ideal Tent Installation Crew Leader will have a strong background in tent installation or construction, be able to lead others effectively, and have excellent customer service and communication skills. The Crew Leader will be able to adapt quickly to changes and problem-solve readily. Additional qualifications include but are not limited to:

- A minimum of 2-5 years of hands-on tent or construction-related crew leader experience, particularly with engineered-structure tents, is preferred.
- Experience and ability to read and translate diagrams to project completion
- Able to follow and enforce company policies and safety procedures.
- Has experience working with various power tools and equipment of the trade.
- Must work well within a team environment.
- Saturdays and overtime are often required.
- Bilingual (Spanish and English) preferred

Expectations

- Must have a valid driver's license
- Achieve safe and effective installation of all project components
- Maintain a clean and safe job site at all times
- Ensure all crew members utilize all required PPE
- Ensure all installation work is performed following industry and company standards.
